

ATIVIDADES DE MATEMÁTICA

Nome: _____

Data: _____

Em cada tigela desenhe 2 morangos, depois conte quantos morangos há ao todo.

Tigelas	Representação	Quantidade de morangos
1 Tigelas		2
2 Tigelas		
3 Tigelas		
4 Tigelas		
5 Tigelas		
6 Tigelas		
7 Tigelas		
8 Tigelas		
9 Tigelas		

Forme grupos com 2 laranjas, depois indique quantos saquinhos foram usados.

Laranjas	Quantidade de saquinho
	1
	
	
	
	
	
	
	
	
	
	
	
	

Em cada caixa represente 3 mangas, depois conte quantas mangas há ao todo.

	Representação	Quantidade de mangas
1 caixa	<div style="border: 1px solid black; padding: 5px; display: inline-block;"> ○ ○ ○ </div> 3	3
2 caixas	<div style="border: 1px solid black; width: 40px; height: 20px; display: inline-block;"></div> + <div style="border: 1px solid black; width: 40px; height: 20px; display: inline-block;"></div>	
3 caixas	<div style="border: 1px solid black; width: 40px; height: 20px; display: inline-block;"></div> + <div style="border: 1px solid black; width: 40px; height: 20px; display: inline-block;"></div> + <div style="border: 1px solid black; width: 40px; height: 20px; display: inline-block;"></div>	
4 caixas	<div style="border: 1px solid black; width: 40px; height: 20px; display: inline-block;"></div> + <div style="border: 1px solid black; width: 40px; height: 20px; display: inline-block;"></div> + <div style="border: 1px solid black; width: 40px; height: 20px; display: inline-block;"></div> + <div style="border: 1px solid black; width: 40px; height: 20px; display: inline-block;"></div>	
5 caixas	<div style="border: 1px solid black; width: 40px; height: 20px; display: inline-block;"></div> + <div style="border: 1px solid black; width: 40px; height: 20px; display: inline-block;"></div> + <div style="border: 1px solid black; width: 40px; height: 20px; display: inline-block;"></div> + <div style="border: 1px solid black; width: 40px; height: 20px; display: inline-block;"></div> + <div style="border: 1px solid black; width: 40px; height: 20px; display: inline-block;"></div>	
6 caixas	<div style="border: 1px solid black; width: 40px; height: 20px; display: inline-block;"></div> + <div style="border: 1px solid black; width: 40px; height: 20px; display: inline-block;"></div> + <div style="border: 1px solid black; width: 40px; height: 20px; display: inline-block;"></div> + <div style="border: 1px solid black; width: 40px; height: 20px; display: inline-block;"></div> + <div style="border: 1px solid black; width: 40px; height: 20px; display: inline-block;"></div> + <div style="border: 1px solid black; width: 40px; height: 20px; display: inline-block;"></div>	
7 caixas	<div style="border: 1px solid black; width: 40px; height: 20px; display: inline-block;"></div> + <div style="border: 1px solid black; width: 40px; height: 20px; display: inline-block;"></div> + <div style="border: 1px solid black; width: 40px; height: 20px; display: inline-block;"></div> + <div style="border: 1px solid black; width: 40px; height: 20px; display: inline-block;"></div> + <div style="border: 1px solid black; width: 40px; height: 20px; display: inline-block;"></div> + <div style="border: 1px solid black; width: 40px; height: 20px; display: inline-block;"></div> + <div style="border: 1px solid black; width: 40px; height: 20px; display: inline-block;"></div>	
8 caixas	<div style="border: 1px solid black; width: 40px; height: 20px; display: inline-block;"></div> + <div style="border: 1px solid black; width: 40px; height: 20px; display: inline-block;"></div> + <div style="border: 1px solid black; width: 40px; height: 20px; display: inline-block;"></div> + <div style="border: 1px solid black; width: 40px; height: 20px; display: inline-block;"></div> + _____ + _____ + _____ + _____ + _____	
9 caixas	<div style="border: 1px solid black; width: 40px; height: 20px; display: inline-block;"></div> + <div style="border: 1px solid black; width: 40px; height: 20px; display: inline-block;"></div> + <div style="border: 1px solid black; width: 40px; height: 20px; display: inline-block;"></div> + <div style="border: 1px solid black; width: 40px; height: 20px; display: inline-block;"></div> + <div style="border: 1px solid black; width: 40px; height: 20px; display: inline-block;"></div> + _____ + _____ + _____ + _____ + _____	
10 caixas	<div style="border: 1px solid black; width: 40px; height: 20px; display: inline-block;"></div> + <div style="border: 1px solid black; width: 40px; height: 20px; display: inline-block;"></div> + <div style="border: 1px solid black; width: 40px; height: 20px; display: inline-block;"></div> + <div style="border: 1px solid black; width: 40px; height: 20px; display: inline-block;"></div> + <div style="border: 1px solid black; width: 40px; height: 20px; display: inline-block;"></div> + _____ + _____ + _____ + _____ + _____	

Forme pacotes com 3 bananas, depois indique quantos pacotes foram formados.

Bananas	Quantidade de pacotes
	1
